Mission Statement

About Us

At The Paladin group, we're laser-focused on one thing: *insuring our clients and their business' future*. As a trusted independent insurance agency based in Cedar Falls, we allow our clients to focus on what matters to them by seamlessly handling their commercial auto insurance needs. We also cover business, home and personal insurance. We promise this to our clients because we aren't just another big-name insurance agency – we're local and share the same values and principles.

How did we accomplish this feat in such a short amount of time?

First, we hire people like you who are passionate about helping others and are committed to the highest quality of service, integrity and professionalism. Then, we make sure we're constantly improving ourselves and our company, which in turn provides better products and services for our clients. Finally, we aren't afraid to think outside of the box. We aren't afraid to push for only the best for our clients, and that means avoiding cookie-cutter solutions other companies may offer.

Mission Statement

The Paladin Group strives to be the nation's premiere insurance advocate and consultant for commercial auto companies. We aim to help our clients navigate the complexities of the commercial insurance industry by streamlining the process and making it easy for them to focus on their business.
